

Personnel Memorandum

December 7, 2021

*The buildings to which employees are being assigned upon hire, from and to which employees are transferring and/or being reassigned, and from which they are departing is provided at Board request. **These locations are informational only and based on district needs at the time of the Personnel Memorandum; contracts and employment agreements are between the employee and the district.** Board approval of these internal hires and transitions does not create a contractual relationship between the employee and a particular building nor does it limit the rights and obligations outlined in any relevant collective bargaining agreement.*
